

I am a builder when I use ... KIND AND COURTEOUS WORDS (changing the world for the better)

Courtesy is defined simply as “well-mannered conduct indicative of respect for or consideration of others.” I define courtesy as kind, thoughtful, generous (as in second to another), humble, respectful, and polite. Through the lessons of grace and courtesy we instill the values of respect, honesty, integrity, courage, and kindness. We prepare the child for life. - *Mary Lou Cobb, Grace and Courtesy for the Whole School*

Land Trust Election Notice

Our annual Parent Advisory Committee (PAC) elections are coming up and we are looking for volunteers to serve for the 2022-2023 school year. The PAC participates with school administration in developing the Annual School Plan, in deciding how the Land Trust monies will be spent, and other matters important to our students at American Preparatory Academy. The PAC generally meets 4 times per year. Members of the PAC will be expected to participate in all of these meetings so that a quorum may be present to conduct business. There are no term limits; as long as the volunteer has students enrolled in the school and is actively participating, they are welcome to continue serving on the committee.

If you are interested, please contact Rebecca Dailey Land Trust Grant Manager at landtrust@apamail.org no later than Monday, May 9, 2022 at 4pm.

Please include:

- Your name
- The campus you are running for
- Your students name and grade
- Your phone number and email address
- A short (70 words or less) paragraph on why you are interested in being on the committee.

The ballot link will go home as the last page of the May 13 newsletter and elections will run through Wednesday, May 18. The candidate who receives the most votes will be posted in your campus' May 20 newsletter. Thank you!

Households that Qualify for Free or Reduced-price Lunch by May 6 May Be Eligible for Pandemic EBT

APA Parents,

Students that qualify for free or reduced-price meal benefits may be potentially eligible for pandemic EBT (P-EBT). P-EBT can help individuals purchase food if their children have temporarily lost access to free or reduced-price meals due to school closures from COVID-related emergencies, or other COVID-related school absences during the 2021-2022 school year.

During the 2021-22 school year, all students, regardless of income status, receive free lunch each day they attend school. However, this does not automatically give students free-reduced status, nor qualify students for P-EBT. On April 20th, we sent an email which including a letter with your student(s) eligibility status (free, reduced, or paid). If your students already qualify for free-reduced meals, DO NOT submit another application. We will send you an email within a few weeks with a link to apply for benefits.

If your students have PAID lunch status but you believe your household might qualify for free-reduced meals, we encourage you to submit an application before May 6, 2022. Please follow this link:

<https://www.americanprep.org/school-lunch-program/eligibility/>

Please email lunch@apamail.org if you have questions.

Buddy Poppy

In preparation for our Memorial Day Assembly. Buddy Poppy donation envelopes are being ordered to go home with your students.

These are the opening words of Colonel John McCrea's Immortal poem dedicated to the memory of the men and women who served, fought and died in France during World War 1. The poppies of which he wrote have become the true symbol of all those who have given their lives in our nation's Wars.

The poppy has become recognized as the memorial flower in countries around the world. It is distributed by veteran's organizations in Europe, North America, and in most of the countries of the British Commonwealth.

Since 1922, the Veterans of Foreign Wars of the United States has conducted an annual distribution of "Buddy" poppies to raise funds for its charitable programs on behalf of the needy and disabled veterans, and the surviving family members of deceased veterans.

POPPIES EVERYWHERE

Today, buddy poppies are distributed by posts and auxiliary of the VFW in every state of the union and in dozens of other countries. Some 14 million are distributed annually; most of them during the period preceding Memorial Day and Veterans Day, but many of them at other times of the year.

More than 11 million dollars is raised each year through the distribution of the Buddy poppies - - all of it strictly accounted for and dedicated entirely to Veterans welfare. Under the unique VFW distribution

system, the proceeds of the distribution are divided between the national, state, and local charitable purposes.

When you make a donation ...

you have contributed to the Veterans of Foreign Wars National Home for Children of deceased or disabled veterans at Eaton Rapids, Michigan... to the National VFW rehabilitation services in Washington, DC... to the VFW rehabilitation service in your own State... and to direct assistance programs for needy and disabled veterans and active service members and their families in your own community.

The services made possible through your donation are available to ALL needy veterans, active service members and their families - - not just those who are Veterans of Foreign Wars. Hundreds of thousands of non-members are assisted with disability claims and served in hospitals each year by Veterans of Foreign Wars.

How can so little do so much?

The person from whom you received your poppy is a volunteer. Their supervisor is a volunteer and the people who helped organize the distribution are volunteers. Their only pay is the satisfaction which comes from devoting time and effort to a worthy cause. However, there is someone who does get paid. The disabled veterans who assembled the poppy from the original parts receives a nominal sum for their work. The amount is small, but it does help them buy the little luxuries which make hospital life tolerable and it does permit them to purchase a gift now and then for their loved ones at home.

When you are handed a "Buddy Poppy", give generously.

And when you wear your Poppy, do it proudly.

And when you see VFW and auxiliary volunteers working in veteran's hospitals, visiting the sick and helping them with their problems, give them a word of greeting.

You are Partners in a great work.

After School Programs

Hello WV2 Sistema Families!

We are so happy to see our amazing Sistema Utah students this afternoon! It's hard to believe that there are only six weeks left to work with our Sistema students before school ends. The good news is that we have A LOT going on to help build up our students musically and to inspire them over the summer.

As our Sistema Utah "Take Flight" Spring Concert is **4 1/2 weeks away**, we will be beginning our rehearsals this week. It is also crucial that EACH Sistema Utah student - elementary and secondary - come each day

of class so that they are ready to perform. Again, our special guest will be Alex Boye and your child will NOT want to miss this!

Please place the following dates on your calendars. Those that have an amended schedule will be required to be in attendance to each rehearsal to ensure that they are ready to perform our grand finale. Thank you for helping your child to be successful for this once-in-a-lifetime concert.

- Thursday, May 5th 3-4:30 p.m. - Rehearsal (entire program - not just grand finale)
- Tuesday, May 10th 4-6 p.m. - Grand Finale Recording - EACH student needs to be present so that we have all necessary voices for our recording that we will be sending to Mr. Boye.
- Thursday, May 19th - Dress Rehearsal Day - ALL students will need to stay until 5 p.m. Mr. Boye will be coming to practice with us this day.
- Friday, May 20th - Rehearsal and Concert Day - ALL students will need to stay until after the concert finishes. Concert begins at 6 p.m. with doors opening at 5:30 p.m. Tickets will be available to order on May 1st. Each student will receive a limited number of tickets and everyone else will be able to watch the livestream.

Please be sure that your child brings their instrument to school daily if they bring it home to practice. We have the same expectation as the daytime that each student is prepared with their materials daily. That means that every student needs to have their instrument and any music with them for their instrument class.

We have started utilizing our Sistema Google classrooms for your child's instrument and singing classes. Each student has been invited to join their respective classrooms. There is a video that they need to push play on and practice along with. This will help them to be prepared for our upcoming concert.

We will be sending out three Sign Up Genius volunteer opportunities this week as well. We would appreciate your help to have our events be successful. Below are the volunteer opportunities:

- Concert Day - May 20th - We have many needs for ushering, clean up, passing out programs, etc.
 - Lights Off - May 27th - We will need parent volunteers to help with booths, set up, clean up, etc.
- Are you passionate about a craft or super amazing at face painting? Email Mrs. Christensen to get added to our list tchristensen@apamail.org.

Thank you so much for your support!
