Sistema Notes ♪

Congratulations to our Sistema Strings students for a job well done. On Friday, October 21st they performed with the Utah State University Symphony Orchestra. Our elementary Sistema Strings students performed Haydn's "Surprise" Symphony with the USU orchestra. Our Secondary Sistema Strings students performed side-by-side with the orchestra as they played Dvorak's "New World Symphony." It was a magical evening that everyone will remember forever.

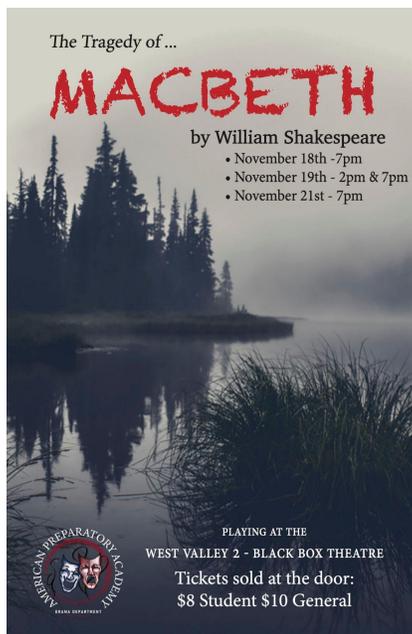

We have begun working on our Winter Concert music. It's hard to believe that we are SIX WEEKS away from our performance! It is crucial for every Sistema student to attend regularly so that they can learn the music for this concert. We have a lot to do and are super excited to share our music with you. Please place Friday, December 9th at 6pm on your calendars for our "Magic of Winter" concert. We will also be offering a live-streamed concert for those unable to attend as space will be limited.

Thank you so much for your support. Please email Mrs. Christensen with any questions you may have. tchristensen@apamail.org
