Our 9th grade students were able to participate in the Leadership Challenge and the Unity Hike. Students learned important leadership and team building exercises. They were able to hike up to Bear Canyon Suspension Bridge and learn about adversity and that they can do hard things!

Last week our 12th grade students did a service activity at USANA Kids Eat and Globus Relief! At USANA, students packaged meal kits for kids around the community. At Globus Relief, students sorted oral hygiene products to be given out to those in need. It was a great opportunity to give back to the community around them! (See picture below)
