Hello American Prep Families,

Our Builder Theme for the month of December is “I Am A Builder When I Look for Ways to Serve Others (Kigatsuku).”

Thank you to all our students for participating in December’s theme by watching for the needs of others! We hope you have been experiencing some of this in your homes. A wonderful Builder’s trait is to see things that need to be done without being told or asked – and we have made progress in this value this month! We are creating a wonderful community together as we unite in looking for ways to help. We challenge each of you to change the world for the better.

ROCK THE SOCKS: APA’s Annual Community Donation Drive

ROCK THE SOCKS! A HUGE thank you to all of our students and families for the amazing amounts of donations. We are thrilled to announce that together we were able to donate many pairs of socks from our

campus. We are still in the process of counting socks and will let you know next week our grand total. Thank you for helping those in need!
