Hello American Prep Families,

Our Builder Theme for the month of February is “I am a builder when I use my words to encourage others.”

Have you ever thrown a rock or pebble into a pond or lake and noticed the little waves that ripple away from the center in circles? Kind and encouraging words have that rippling effect on others that can result in good things. Mother Teresa said, “Kind words can be short and easy to speak, but their echoes are truly endless.” Echoes are like ripples; they go on and on. Take the time to be courteous and encouraging this week by honoring someone’s accomplishment, expressing gratitude for something they say or do; offering a hug or a smile; or taking time to listen. Remember, courtesy and encouragement don’t just enhance the lives of others; they create ripples in your life as well by strengthening your relationships, building trust, and spreading good cheer.

Annual Enrollment Registration Due

We are grateful to the many families who attended one of the 12 annual re-enrollment meetings we’ve offered at WV2! We are excited to see almost all of our families returning for the 2019-2020 school year! Now that you’ve completed step one we look forward to receiving **all re-enrollment materials completed by the deadline of Monday, February 18th**. If you have any questions regarding the re-enrollment process please contact Ms. Tapia at gtapia@apamail.org.

We look forward to having families complete this second enrollment step.

Snow Day – updated school schedule

Due to the inclement weather/snow day we are revising the school calendar. The revised schedule is as follows:

OLD Schedule

Thursday, March 7th regular school day
Friday, March 8th No School Secondary Students
Friday, April 26th No School Elementary Students

****UPDATED Schedule****

Thursday, March 7th 12/12:20pm dismissal for PTCs
Friday, March 8th 12/12:20pm dismissal for PTCs
Friday, April 26th regular school day (all students)

Social Media

Social media accounts are websites and other online means of communication that are used by large groups of people to share information and to develop **social** and professional contacts. We have noticed some wrecker behavior appearing on social media with our APA students that could be group chats, photos, or videos being shared. As parents, we encourage you to be a part of your student’s social media accounts and all activity that occurs on them. Here is a great link with information about the different social media accounts available and what

legal ages the students MUST be in order to sign up for the account. <https://smartsocial.com/app-guide-parents-teachers/>

Be a Hero--Save lives!

Do you know that for every donation of blood, you can save up to 3 lives? That is a hero for sure! APA WV2 will have a blood drive on Wednesday, February 27th from 12:30pm-5pm. Students must be 16 years old, have parents sign the permission form, and meet the physical requirements. We will be signing up during lunches so please help your students get their permission forms signed. We also invite any parents or other adults who want to join either with or without your student. It takes about an hour to donate, depending on the turnout, so sign up for an early time! Contact Ms. Brianne Peterson at bpeterson@apamail.org to set up an appointment time. Please come save lives!

Volunteers for Vision Screenings

Vision Screenings require many helping hands! Please see the link below to sign up for a time to help on February 27th and/or February 28th. This is an excellent way to fulfill your volunteer hours. Please contact our school nurse, Kelly Thelin with questions at schoolnurse@apamail.org.

Sistema Notes

I can't believe that January and most of February have passed so quickly! Please make sure that your student stays for their instrument and choir classes daily so that they do not fall behind in their studies. If your child is sick or has an appointment afterschool, please make sure to email Mrs. Christensen so that she can amend the attendance and mark their absence as excused. tchristensen@apamail.org

The following are upcoming events for Sistema for you to place on your family calendars.

Senior Tri-Boards

We are **excited** to see displays highlighting each one of our seniors. Tri-Boards were given to parents at the Parent/Grad Night October. On these boards **families can display pictures, inspiring quotes, post high school plans, college choice, memories, certificates, achievements, hobbies, talents, etc. of their senior student.** The Tri-Boards will be displayed during the reception for graduates and guests to enjoy!

We are hoping the content on the boards would be a surprise to your graduate, as this would be **a great family gift** to their student. All boards need to **be finished and turned in by April 18th, 2019** to Mrs. Patterson in the High School office.

Need Help? Need Ideas? Come join us on March 5th, 2019 from 4:30pm to 7:00pm, in the secondary cafeteria. We will have materials available, for you to use and we will be available to help you finish this gift for your student. If you have any questions, please contact either Mrs. Patterson, 385-351-3090 ext 1168 or 1253.
