## **Hello American Prep Families, Hello American Prep Families,**

Wow! It's hard to believe, but school starts on Monday. We are very excited to see our returning families and get to know our new families. Our newsletters are a way of keeping all of our families informed. Once school begins, we will send out weekly newsletters via email, as well as a printed copy in your elementary family communication envelope on Fridays. Please take the opportunity each week to keep up to date on school events by reading the weekly newsletter and visiting our website for calendar items.

### **Class Lists and Elementary "Meet and Greet" – Friday, Aug. 16<sup>th</sup>**

Come on by and say "Hi!" anytime between **2PM and 4PM**. Our wonderful teachers would love to meet each of you and get to know the families that will be in their classrooms this year! ### **Tips & Information for a Successful First Day of School**

- Families with kindergarten students may park and walk their student inside the building. As we have limited parking spaces, we ask that all other students be dropped off at the curb.
- 1-3 grade students will meet in the multipurpose room, and 4-6 grade students will gather in the small gym. Students will line up by grade and class and walk to the classroom together with a staff member.
- Secondary students arriving early will have time to visit with friends, go to their locker, and arrive in their seats by 8am.

- When dropping off your student in the morning, always pull forward as far as possible before unloading. Stay in your car and have your students get out on the curb side. The line moves quickly when everyone follows these rules.
- In the afternoon, we would encourage all parents to drive through carpool – including kindergarten parents. Those first few days are so wonderful for establishing the routine of how pick-up will happen.

We are excited for the first day of school!

## **Walking Passes & Carpool Numbers**

Stop by the school anytime this week to pick up your carpool number or walking pass.

We are excited to be a part of your neighborhood and that you and your student(s) have the opportunity and convenience of walking to/from school. At APA, we are continually working to improve student safety so as to ensure we are one of the safest and most secure schools in Utah. To that end it is important that school safety procedures are followed and that parents provide informed consent and permission for releasing walking student(s). Thank you for your consideration and willingness to embrace these important safety measures.

## **Secondary Student Schedules**

Secondary schedules are available online at <https://amerprep.usoe-dcs.org>. Schedules may have changed since orientation day, so please check prior to coming to school on Monday.

## **Secondary Lockers**

Students will be issued their lockers on Tuesday during their fourth period. We have worked hard to ensure all are working properly and ready for the year, but if your student has any issues please have them contact the HS or JH office with their locker number and the issue and we'll correct it promptly.
