Builders Theme: I am a builder when I work Diligently (changing the world for the better)

I have often seen athletes wearing a T-shirt that says, "Hard work beats talent when talent doesn't work hard." When I was in High School, I participated on the swim team. We had many naturally talented fast swimmers on that team who seemed to win every race while putting minimal effort in at practice. One of my friends on the team was not a very fast swimmer. However, she would work the hardest out of anyone at practice. Slowly, she began to pass up many of those faster swimmers who weren't working as hard and thought they would get by on their natural talent. She worked so hard that she eventually placed in the top three for her race at region and qualified for the state swim meet - something that not all the fastest swimmers on the team were able to do. She didn't need natural talent - she just worked diligently, and she was able to achieve something amazing. If a goal ever seems out of reach, don't get discouraged. Just keep working diligently, and you will see how you can achieve great things and change the world for the better.

Secondary

Secondary Ambassadors

On Friday, January 21st, our 9th grade students had the opportunity to visit the Utah State Capitol. While there, they were able to observe the legislative session, including observing several committee meetings as well as the House and Senate meetings. They also had the opportunity to meet with several legislators who talked to them about the importance of being good citizens and getting involved in the legislative process. This trip was a wonderful opportunity for our 9th grade students to see the Utah state legislature in action and to see how the government works on a state level. We are also very grateful for our teachers, administrators, and parent volunteers who helped chaperone this trip!

Afterschool

Congratulations to our Sistema students that completed 100 and 200 homework assignments. They all received a special certificate on Tuesday. Well done! Our goal is to complete 20,000 homework assignments afterschool by the end of the school year. We have surpassed the 9,000 assignment thus far. Let's keep up the great work!

Our staff and students did an amazing job at the Sistema Staff and Student showcase on Thursday. Great job to everyone that performed - you

Our Sistema ensemble days resumed on Thursday. As a reminder, our schedule on Thursdays are different as our class times are revised to accommodate for the extended class times. Pick up times for Thursdays are: 1st period: 3:10 p.m., 2nd period: 4:00 p.m., 3rd period: 4:50 p.m., end of program 5:30 p.m.

Our advanced Sistema students have an incredible once-in-a-lifetime opportunity to participate in a week-long workshop February 14-18th. It will be three hours daily each of those days with a concert on Friday, February 18th at 6 p.m. The advanced students participating will be: Elementary Sistema Strings, Elementary intermediate band, Secondary Band Ensemble, Secondary Orchestra Ensemble and Secondary Sistema Strings. Each student wanting to participate in this collective composition workshop will need to bring a signed participation form to their teacher by February 1st. The students will work together to compose the songs they will perform on Friday. Sistema students and performers' families are invited to attend the concert on February 18th. ***We want as many of our advanced students as possible to attend - you will NOT***

Please make sure your child has their instrument with them every day. If you see your child come out to the car with their instrument, please make sure that it is brought inside and not left in the car. The cold winter temperatures could cause harm to the instruments and some might even crack or break due to the weather. I suggest placing their instrument by their backpack as they are getting ready for bed to make sure that it does not get forgotten.

DATES TO REMEMBER:

Thursday, January 27th at 5 p.m. - Sistema Staff and Student Showcase

Wednesday, February 9th - Bach Buck Store - Every student needs to bring their Bach Bucks!

Thursday, February 10th - Missing Work Party - Everyone with NO missing assignments will be able to participate in this special activity

Friday, February 11th - No Sistema - Noon Dismissal

Thank you for your support!
