WV2 & WV3 ★

Welcome back from Spring Break!

Thank you to all of our amazing families who helped make our Staff Appreciation Week one of the best ones we have had! Our staff absolutely loved their decorated doors, sweet messages and yummy donations. APA families are simply the BEST!

We will be conducting vision screenings for all students on April 19th and 26th at the WV2 and 3 Campus. The students will be given a distance vision test to see if they can see at a 20/30 level. We will notify you of the results of the test. If a student fails, you will receive a referral letter with more instructions.

Vision screening is not a substitute for an eye examination by an eye care specialist, and it is important that your child see an eye care specialist once a year to evaluate eye health.

If you do not wish your child to participate in the screening program, please EMAIL nurse@apamail.org (EXEMPTIONS ONLY). We need LOTS of parent volunteers to assist with vision screenings. A short 5

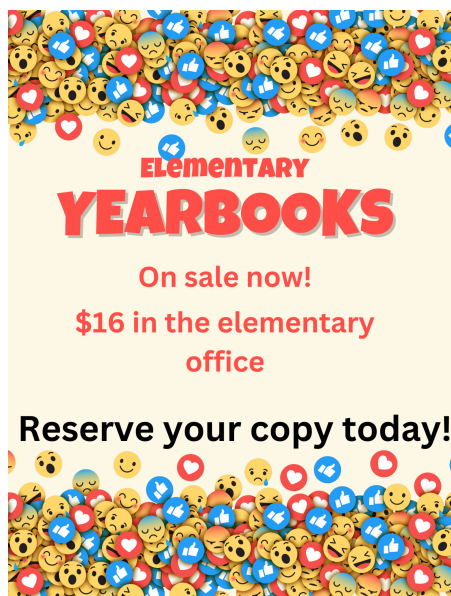

minute training is provided, and this is a great way to get in your volunteer hours! This is not a volunteer opportunity that will work to bring small children.

Please contact Karen Thelin kthelin@apamail.org 801-494-7446 with questions or if you are available to volunteer.

NC Marks in Secondary/Attendance School: As a reminder, if a student has more than three tardies (T marks) in a class their grade turns to an NC or no credit mark and they do not receive credit for the class unless they remove tardies through attending Saturday school. Likewise, if they have more than three unexcused absences (X marks) where they missed class but a parent did not notify us of the absence they would receive an NC mark until it is recovered through attending Saturday school. Please refer to the parent/student handbook for specifics about how to remove T and X marks. Saturday school is always from 8am until 11am. Students must arrive prior to 8am (doors lock at 8am and will not be opened) and must be picked up by 11am. Our next Saturday school offerings will be:

Sistema Notes ♪

We have been working hard to learn our pieces for our end-of-year concert in May - hooray! Please ensure that your child attends their Sistema classes daily so they don't fall behind in their classes. If your child is sick or has a previously scheduled appointment during afterschool hours, please call the Sistema office to let us know at 385-351-3090 x 1139 or email Mrs. Christensen at tchristensen@apamail.org. Each student has been invited to a Google classroom for instrument and singing classes. If your child has to miss Sistema or would like to practice at home, they can pull up their respective Google classroom at home. This can be accessed through their APA student email account. **If your child participates in sports and Sistema, they MUST**

practice their music at home using Google Classroom to avoid falling behind in their music. Our end-of-year concert is quickly approaching, and we want to be sure they are prepared to perform.

We will also hold our grand finale and combined rehearsals on Thursdays in April and May. Please find the schedule below to add to your plan. We need each student in attendance to ensure we are ready to perform with Octappella, who will be our guest artist.

PARENT EMPOWERMENT VIRTUAL MEETING

PROTECTING OUR YOUTH

Did you know that, on average, one in 5 children will be sexually abused before they reach 18 years old? And 80%-90% of the perpetrators are someone within the child's circle of trust. Parents usually don't know what to look out for and empower their children to be safe. Please join us online for an informational workshop on Tuesday, April 11, at 7 pm. We will review signs of possible neglect or abuse, how to spot a perpetrator, and how to help our youth be resilient. Each campus will provide an incentive for your attendance.
