

Builder Theme: I am a builder when I am prompt and punctual.

When you're punctual, you show others you respect them as a person as well as their time. You're not only thinking of yourself, but are thinking about their life and their roles and responsibilities. You're actively considering how your actions will affect their work or studies.

WV2 & WV3 ★

Elementary ★

Uniform Infractions: We have had many students wearing light blue shirts to school. As a reminder, light blue shirts are only allowed in secondary. Khaki pants for girls are **only** allowed on Fridays. Monday-Thursday girls can wear navy pants, or plaid/navy jumpers. 4th- 6th grade white shirts **can not** be polos. Your student must wear a white button down broadcloth or cotton collared dress shirt with white or clear buttons. Sleeves can be short or long.

Please review our K-6 uniform guide here:

Secondary ★

Our 12th grade students served in an impactful way! On August 23rd, they went to USANA Kids Eat and the Utah Food Bank to prepare meals for families in the community. Students sorted food and made meal kits. We are proud of our students for serving with a smile!

Sistema Notes ♪

Welcome back to Sistema Utah for the 2023-2024 school year. We would also like to welcome all new families to our program. We are excited to have our students with us as we have missed them! I am happy to announce that Sistema Utah is celebrating our 11th Anniversary this year!

I will be sending a weekly email with reminders for the upcoming week. Please be looking for these emails so that you can add these events to your calendar.

We would like to send a huge thank you to all parents that attended Sistema Parent Orientation. If you did not attend, you should have received an email containing a video that you must watch.

Sistema Carpool: Thank you so much for your patience as we all get used to our electronic student check out system. **As a reminder, each elementary student MUST be signed out via our electronic form EACH DAY.** Even if you are waiting along the curb for your child at the end of our program day, you still need to complete the electronic form so that we know it is time to send your child to your car. For your convenience, I have included the link to this year's form [here](#). It is helpful to save this form to your phone's home screen as you will use this daily.

We are looking forward to an incredible year. Thank you so much for your support.
