

**Builder Theme: I am a builder when I build with enthusiasm.**

"Enthusiasm is one of the most powerful engines of success. When you do a thing, do it with all your might. Put your whole soul into it. Stamp it with your own personality. Be active, be energetic and faithful, and you will accomplish your objective. Nothing great was ever achieved without enthusiasm."

7th Grade Career Expo: We are seeking volunteers to help with our upcoming 7th grade Career Expo that will be held on 26 September 2023 from 8:00-12:00. We are seeking anyone who would like to talk about their career with the 7th graders on that day. If you would like to volunteer or would like additional information please email Mr. Ramirez at aramirez@apamail.org.

Uniforms: We sincerely appreciate the effort to help maintain and build our positive culture. We wanted to reiterate specific aspects of the uniform policy a small percentage of students are struggling with. The longer students are out of compliance with uniform, the more likely it is for other students to copy those trends that are not in alignment with our policy. We also want to remind families and students that if students do not fix their uniform problem, they will not be permitted to enter class.

- "Hair that is an unnatural color or extreme styling is distracting and not allowed." Students that come with unnaturally colored hair will be asked to fix the hair in a reasonable time frame or they will not be permitted into class.

- "Slacks must fit the following description: Uniform style slacks (no denim or corduroy). Belted, pleated or flat front, long enough to cover top of shoe, short enough to stay off floor when worn with shoes, worn no more than 2" below waist, no cargo pants or outside pockets (patch pockets)...No tight-fitting slacks (must be able to pinch one inch of fabric in front and back). Slacks may NOT be tapered." Students that are sagging their pants will be asked to fix their pants. If students do not comply with wearing the slacks properly, they may be asked to be picked up from school.

- "Skirts must be to the knee - touching the calf when the knee is bent to 90 degrees." If students do not comply with wearing the skirt properly, they may be asked to be picked up from school.

Professional Qualifications

Our parent surveys consistently express confidence and overwhelming satisfaction with our teachers at American Prep. In accordance with state regulation, all APA teachers are licensed through one of three licensing paths: Professional, Associates and LEA specific. Parents are welcome at any time to request information regarding the professional qualifications of the student's classroom teachers including: 1) whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction or whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; 2) the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and 3) whether the child is provided services by paraprofessionals and, if so, their qualifications.

District Parent and Family Engagement Policy

American Prep recognizes that parent and family engagement is key to student achievement. We provide many opportunities for parents and family members to participate in, and stay informed of, their student's academic achievement.

American Preparatory Academy trains staff annually during pre-service and teacher academy on how to communicate, build meaningful connections, and otherwise involve parents/families and the school. These topics are reinforced during professional development opportunities throughout the year as needed.

Additional details regarding Parent and Family Engagement are available in the annual Parent-Student Handbooks (PSHB) which are distributed annually, posted on the school websites, and available in Spanish at our West Valley campuses.

For the full District Parent and Family Engagement Policy, please refer to this [link](#) on the Policy page of the [americanprep.org](https://www.americanprep.org) website.

School Parent and Family Engagement Policies

School Parent Involvement Policies vary slightly by campus and are located within the Parent-Student Handbooks <https://www.americanprep.org/parent-student-handbooks/>. These Handbooks are distributed annually to parents and are now accessible on the APA website under the Parent Library drop-down tab. West Valley Parent-Student Handbooks will be available in Spanish.

Mandated Assessments and Opt-Outs

American Preparatory recognizes that Standardized Testing is an essential tool for measuring student learning and teacher success. The data obtained from these assessments may be utilized by teachers and administrators to review student academic progress, plan instruction, and share with students and parents. Summative assessments allow for data to be used in public reporting about school quality. Parent's may opt-out of most state standardized tests by submitting a Parental Exclusion form to the Academic Director. You can learn more about the state assessments administered at American Prep and find the testing schedules for your student's campus by following this link:

Sistema Notes ♪

We have had such a great week! Now that Alma is up and running for this school year, we pulled missing work reports and sent them with our Sistema students. As mentioned in our parent orientation, we have term incentives that students can earn a ticket to attend if they have no missing daytime homework. **Our first incentive of this school year will be on Friday, October 13th from 4-5:30 p.m. that day.** If your child was sent home with a missing work report, please help them to get their missing work completed and turned in to school. We want to see many of our Sistema students at our first no missing homework incentive of the school year.

Thank you to everyone for helping our Sistema carpool to go smoother on Thursday. We need to all do our part to keep our students safe after school. We appreciate your patience and support with this.

If your child is also participating in after school activities such as soccer or volleyball and miss their classes in Sistema, they need to practice every day they miss so they don't fall behind in their Sistema classes. Each student has been invited to join the Google Classroom for their instrument and singing classes. Thank you for ensuring that your child is practicing at home.

We have a few events taking place over the next couple of weeks. Please make a note of the following on your family calendar:

- **Thursday, September 14th - Sistema Ensemble Day:** As a reminder, our dismissal times are slightly different on Thursdays. Please refer to your dismissal times flier for reference.
- **Wednesday, September 27th - Staff and Student Showcase at 5 p.m. in the MP Room:** If your child's class will be performing, they will be sent home with a flier stapled to the top of their learning plan on Friday, September 22nd.

Thank you so much for your support. What an incredible Sistema Utah community we are developing!
