Sistema Notes ♪

What an incredible short week of Sistema we have had! We hope you are enjoying the music at your home as your children practice and share their gift of music with you.

We are excited to announce that we will have our Staff and Student Showcase this Wednesday, January 24th at 5 p.m. in the Multi-Purpose Room. If your child will be participating in this event, they will come home with a flier stapled to their learning plan. We encourage you to come to support your child when they are performing and to see our amazing staff also perform.

Please remember that if your child brings their instrument home to practice you will be sure to send them with it to school the next day. It is important that they come prepared each day to class to continue their music learning and be successful in each of their classes after school. **If your child comes to your car with their instrument, please take it inside your house. Do not leave it in the car as that can cause the instrument to break.** We will begin to work on our end-of-year concert music in February and we want our students to get back into the habit of regular practice and participation in their Sistema classes.

We would like to ask you to check your child's fingernails regularly as well. To play music well, they will need to keep their fingernails short so that they can play their instrument easier and not cause damage to their instrument.

With the cooler weather comes sickness. **As a reminder, if your child has to miss Sistema because they are sick, going on vacation or if they have a previously scheduled appointment, you need to call the Sistema office to let us know they will be missing that day.** Our phone number is 385-351-3090, ext. 1139 where you will leave a message if we do not answer. You may also email Mrs. Christensen at tchristensen@apamail.org.

We have a couple of no Sistema dates this month. Please make a note of the following on your family calendar:

- **Wednesday, January 24th at 5 p.m. - Sistema Staff and Student Showcase**
