As a reminder, if a student has a fever or is vomiting, they MUST be picked up immediately. Please contact our front office to put a trusted emergency contact in Skyward if you do not have one on file already. This is mandatory.

9th Grade "Make a Difference Day" - October 23rd

Our 9th graders have a chance to step up to make a positive impact during this year's "Make a Difference Day" on **October 23rd** from **12:55 p.m. to 2:10 p.m.** (4th period).

Students will be engaging in meaningful service that day, including decorating food donation boxes, coloring growth mindset bookmarks for our 4th-6th graders, crafting 'turtley awesome' encouragement cards for our K-3rd students, and making coloring books for our own community schools.

This is a great opportunity for our 9th graders to show leadership and give back to our school community.

Sistema ★

Happy Fall Break!! hope you have some fun plans that also include your child practicing over the break.

We had so much fun at our Bach Buck Store on Thursday and No Missing Daytime Homework Incentive on Friday. Thank you to all of the parents who donated popcorn and toppings for our popcorn bar. Our students enjoyed watching "Inside Out 2." Our next No Missing Daytime Homework will be a "Hot Chocolate and Donuts" party on Friday, December 20th beginning at 4 p.m. We would love to see even more of our Sistema students in attendance at that incentive! Please watch for a sign up as we get a little closer to December for food donations there.

When we return from Fall Break we will be continuing to learn our Winter Concert music including beginning our grand finale piece where all students will perform together. Please be sure to have your child attend every day so that they can learn the music and perform in our concert on Friday, December 6th.

IS YOUR STUDENT STRUGGLING TO COMPLETE THEIR HOMEWORK? If you notice at any time that your child has a lot of homework when they get home from Sistema, please reach out to Mrs. Christensen to communicate this. As a team, we can work together to help to lessen the amount of homework your child will

have to complete when they get home. While we cannot guarantee that they can complete all of their homework, we can help to lessen that load for them. Mrs. Christensen's email is tchristensen@apamail.org.

We have many things taking place in Term 2 for Sistema Utah. We have included a copy of the annual calendar here for your convenience and have also included the actual events for the next couple of weeks to be sure they are on your family calendar. As a reminder, every Thursday is ensemble day with the different pickup schedule. Please email Mrs. Christensen with any questions you may have.

If your child has a walking pass and has been walking home, we have a few reminders. With the seasons changing and the inevitable night time coming sooner including inclement weather, please be aware of the following:

- Dark outside - If it is completely dark outside students will have to be picked up from the school and go through Sistema carpool. We do not have crossing guards and it is not safe for them.
- Inclement weather - Students will have to be picked up from the school and go through Sistema carpool.

Thank you for your help and cooperation to help keep our students safe.

As the weather will be getting colder, please remember to send your child with a jacket or coat when the time comes. We don't want them to be freezing cold when they are at recess or at carpool.
