THANK YOU for your generous support! We loved seeing so many of you at our Family Carnival last Friday. We appreciate your support and enthusiasm. We were able to raise funds for our high school organizations working at the event, and towards our mascot as well. We will update you with the final total when we have all of the accounting settled. **THANK YOU AGAIN.** We have a **WONDERFUL** school community, and we are so grateful for all of you.

Veterans Day - At American Preparatory Academy we love to celebrate our Veterans. We want to honor and celebrate Veterans both in attendance and those that can't attend. If you would like to submit a photo of a Veteran you would like to celebrate, please fill out the form below.

WV2 Elementary ★

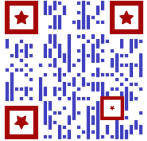

Here at APA, we maximize classroom teaching time. We do not have a central library like many schools, but rather we have classroom libraries. This is one of the many ways in which we support our student learning. Library books that your students bring home are checked out from their classroom with the

help of their homeroom teacher. Every week, if you have overdue books, you will receive an automated notice. If you have any questions regarding that notice, please contact your homeroom teacher.

Please check with our front office to ensure you have at LEAST two phone numbers/contacts on Skyward for your students so incase of an emergency, we are able to reach someone to pick up your student. As a reminder, if a student has a fever or is vomiting, they MUST be picked up immediately. Please contact our front office to put a trusted emergency contact in Skyward if you do not have one on file already. This is mandatory.

Sistema ★

We are so excited to be with our students again and back to getting ready for our Winter Concert. We hope you are enjoying hearing the music your children are practicing at your homes. As a friendly reminder, if your child brings their instrument home to practice, PLEASE make sure they bring their instrument with them to school the next day. As a reminder, please do not store their instrument in your car overnight, by an outside window nor by a heater vent as that can cause damage to their instrument. If you have younger children at home that might be tempted to handle the instrument, please put it on a shelf to keep it safe while at home.

We have begun to learn our Winter Concert grand finale piece "*Sleigh Ride*." **Please ensure that your child is in attendance every day so that they are able to play this incredible song with their peers for our concert on Friday, December 6th.**

This Wednesday, October 30th at 5 p.m. we have our October Staff and Student Showcase in the Multi-Purpose Room. If your child is participating, they will come home today with a flier stapled to their learning plan. We are excited to see the progress that our students are making and look forward to sharing their music with you!

IS YOUR STUDENT STRUGGLING TO COMPLETE THEIR HOMEWORK? If you notice at any time that your child has a lot of homework when they get home from Sistema, please reach out to Mrs. Christensen to communicate this. As a team, we can work together to help to lessen the amount of homework your child will have to complete when they get home. While we cannot guarantee that they can complete all of their homework, we can help to lessen that load for them. Mrs. Christensen's email is tchristensen@apamail.org.

We have many things taking place in Term 2 for Sistema Utah. We have included a copy of the annual calendar here for your convenience and have also included the actual events for the next couple of weeks to be sure they are on your family calendar. As a reminder, every Thursday is ensemble day with the different pickup schedule. Please email Mrs. Christensen with any questions you may have.

- Wednesday, October 30th: Sistema Staff and Student Showcase 5 pm in the MP Room
- Thursday, November 7th: NO SISTEMA - Parent-Teacher Conferences - Students need to be picked up by 2:35 pm
- Friday, November 8th: NO SISTEMA/NO SCHOOL - Parent-Teacher Conferences

If your child has a walking pass and has been walking home, we have a few reminders. With the seasons changing and the inevitable night time coming sooner including inclement weather, please be aware of the following:

- Dark outside - If it is completely dark outside students will have to be picked up from the school and go through Sistema carpool. We do not have crossing guards and it is not safe for them.
- Inclement weather - Students will have to be picked up from the school and go through Sistema carpool.

Thank you for your help and cooperation to help keep our students safe.

As the weather will be getting colder, please remember to send your child with a jacket or coat when the time comes. We don't want them to be freezing cold when they are at recess or at carpool.

We are looking forward to an amazing week! If you have any questions or if your child will be missing Sistema because they are sick, please contact Mrs. Christensen tchristensen@apamail.org.

Thank you so much for your support of our Sistema Utah program.
